Established in 1968, Top Craft Tool, Inc. is a Government, Military, Automotive, Aerospace and Energy approved Precision Tool and Automation Company. We pride ourselves as the "One Supplier That Does It All" specializing in tooling & fixtures, building of special machines and automated systems. Our Design and Engineering Departments provide customers with quality products. We manufacture prototype parts and test fixtures along with detail machining work, fabrication, CNC turning & milling, I.D., O.D., surface grinding and boring mill.

WE ARE GOVERNMENT/MILITARY APPROVED

Our Customers

MILITARY DEFENSE

BAE Systems

Formsprag Clutch
General Dynamics
TACOM
3 Dimensional

ENERGY

Ekstrom Industries
Energy Conversion
Howden
Ovonic-United Solar
Devices

AUTOMOTIVE

ABB Powertrain
Automated Tooling
Systems
BTM Corp.
Faurecia
Fisher Dynamics
Ford Motor Company
RCO Engineering
Schenck Rotec
SPX-Corp
Textron
Tognum
US Manufacturing
Utica Enterprise

AIRCRAFT

Aurora Flight Sciences
BAE Systems
Gulfstream

CAPABILITIES

- Automated Systems
- Boring Mills
- CAD Design & Engineering
- Complete Machine Shop Service
- Complete Welding & Fabrication
- CNC Machining, Lathe & Mill
- Design & Build Special Machines
- Detail & Prototype Machining
- Emergency Service
- Honing
- Material Handling
- Pick & Go Systems
- Precision I.D., O.D. & Surface Grinding
- Rework & Production Runs
- Testing Fixture
- TIG & MIG Welding
- Tooling Fixture
- Vertical Mills

Push Out Machine

***INDUSTRIES WE SERVICE**

- Aerospace
- Agricultural
- Appliance
- Automotive
- Defense
- Energy
- Furniture
- Heavy Truck & Tractor
- Housing
- Marine
- Medical
- Military
- Motor Sports
- Railroad
- Security
